June 2021

Hello from Danza Corpus!

Thank you for your interest to be part of a monumental year for **Danza Corpus** and our professional dance school **The Carret Dance Conservatory (TCDC)**! Danza Corpus is celebrating its **20th Anniversary Season** and **X TEADE 2021** is celebrating its **10th Year Anniversary**. In addition, we celebrate **Artistic Director and Founder, Jose Angel Carret's 30th year in his dance career**. Our mission to preserve the roots of Afro-Cuban culture and cultivate its future through contemporary dance and education has never been stronger.

TEADE is a yearly week long International Dance Intensive that **Danza Corpus** produces every summer in the City of Matanzas, Cuba with more than 15 teachers, 3 classes per day and over 100 attendees from around the world. Due to Covid-19 this past year, **TEADE IX 2020** became our first virtual TEADE offered through the virtual platform on Zoom with almost **100** artists online from **15** different countries!

For 2021, we are continuing this international collaboration to celebrate these giant milestones with **X TEADE**, scheduled **August 16-21**. New this year, the program will be delivered both online to our International attendees and special guests as well as in person at a dance studio in Oakville. We have also added an exciting initiative to support the next generation of dancers and choreographers with **TEADE's first International Dance Competition** offering cash prizes to support the work and accomplishments of both dance students and emerging professional dancers!

We have a lot to celebrate this year and we need your help to continue our mission. We are looking for people to join this momentum by becoming a community partner with **Danza Corpus** through our new donation initiative.

We invite you to consider our donation levels and receive special offers as part of our community!

A sincere thank you from all of us at **Danza Corpus** and we look forward to dancing with you this year!

Sincerely,
